Clerk: Leo Fitzpatrick (Wrightstown)

Recording Clerk: Terry M. Christensen (Newtown)

Friends gathered at 12:49 pm and settled into a period of worship.

Welcome – Leo Fitzpatrick

Review and Approval of Agenda – add Tom Wells to agenda – to follow review of minutes.

Roll Call of Meetings: Bristol: 0, Buckingham: 2, Doylestown: 1, Fallsington: 5, Lehigh Valley: 1, Makefield: 1, Middletown: 1, Newtown: 8, Plumstead: 1, Quakertown: 2, Solebury: 0, Southampton: 2, Wrightstown: 4, Yardley: 4.

Review and Approval of Minutes from [previous meeting] – **approved.**

Special Report – Tom Wells (Citizen Climate Lobby) – Climate Change and Quaker Involvement; 2 years ago BQM adopted a minute requesting a price on carbon – this has not occurred – but it’s possible that such a provision would be included in reconciliation bill currently under review by the Senate – recommends that we send emails and call to elected representatives, especially Senator Casey asking him to support carbon tax; Friend suggests using template and software to facilitate contact with representatives. Tom is also using Twitter to spread message more generally.

Stories of Vitality & Strength – Southampton Friends (along with NMM Friends) went to Harrisburg to lobby for equitable funding for PA Schools; Fallsington Friends is continuing its work on anti-racism – made financial commitment to African American organizations to improve race relations – these include personal education; Newtown Friend reports of annual Simple Supper – Children’s RE program – proceeds went to refugee resettlement and 911 first responders; Doylestown Friend speaks of using nearby labyrinth as spiritual exercise – perhaps outreach potential but not yet realized; Newtown Friend reports of family member who has cancer – proactive testing monitoring may help prevent – holding family member in the Light; Quakertown Friend, reports unusually high number of visitors for Meeting for Worship; Wrightstown Friend reports that their Clerk has had some recent health issues and they are enlisting volunteers to assist with clerking – holding Friend Oliva in the Light; Middletown Friend reports that as result Quarter presence at Langhorne Harvest Day (with outreach postcards) they have had 4 visitors.

Quarter Coordinator Report – Wendy Kane (full report attached): Highlights include recap of COVID-19’s impact on Children’s RE; MM Clerks still meet quarterly to share concerns and ideas; Wendy also made observations about attendance at events within the quarter, PYM, and broader Quaker community; she notes that four, \$500 grants have been approved by the BQ Outreach Committee; BQ Outreach committee has printed 500 outreach postcards which feature a reproduction of Edward Hick’s *Peaceable Kingdom* and the query “You might be a Quaker if:” along with 9 responses to this query – cards also contain contact information for the BQM Coordinator and the BQ website – MM stories of vitality are posted to the BQ website as well as on our Facebook page; Bucks Food For Friends is discerning how and when to reopen for in-person service.

Annual Report – Newtown Monthly Meeting (full report attached)

Annual Report – Plumstead Meeting – Dafydd Jones (full report attached)

Treasurers Report – Ed Snyder (see attached) – we are in good financial shape through the first quarter of our fiscal year; four outreach grants have been distributed for a total of \$2000; Friend asked about contributions to Friends United School – BQM does not contribute to any Quaker Schools currently.

Budget and Nominating Report – Proposed Changes to Budget – Ed Snyder – BQM is, in a fiscal sense, a pass-through organization – checking balance has grown by \$50K over the years – Budget and Nominating recommends making an additional contribution of \$20,000 to PYM; also \$1000 each to Chandler Hall, Camp Onas and Friends Village; [discussion]; Ed suggests \$5,000 each to Chandler Hall, Friends Village and Camp Onas, and \$15,000 to PYM – this is **approved.**

Minute of Appreciation for Betsy Bayardi – Bethann Morgan – “Friend Bayardi has served our Bucks Quarter as participant, recorder and/or clerk of our Budget & Nominating Committee with skill and compassion for many years. Her knowledge and dedication supported the behind the scenes work of our beloved community. She will complete her term of this service at the end of this year. We appreciate Betsy Bayardi.”

Committee Report – Budget and Nominating – Betsy Bayardi – Changes in Succession Plan – BQM Clerk – the Quarter needs new Clerk, Rising Clerk and Clerk of Budget and Nominating – Lisa Parry will step up to Assistant Clerk of Budget and Nominating with Leo as Clerk for next two years; Budget & Nominating has some candidates in mind for Clerk of the Quarter and rising Clerk of the Quarter.

BREAK

Semi-Annual Report – Friends Village – Chiyo Moriuchi (full report attached) –

Annual Report – Peace Fair Committee – Tim Cunningham – (full report attached) The 2021 Peace Fair went well with attendance of about 1100 – 1500; enjoyed strong support from other meetings; suffered labor shortage among young Friends (PYM, Buckingham Friends School pulls young Friends); looking forward to next year; Friend comments that music was an asset to the Fair.

Outreach Committee Report – Doug Meaker – only 4 applications for outreach grant so far; Doug clarifies amount to be awarded will not change; meetings may apply for grant even if plans for use not complete; Outreach Committee Friend encourages all meetings to take advantage of this opportunity; Wendy describes our Outreach postcard with QR code; notes that Outreach postcards can be “personalized” for individual meetings at the cost of the Quarter; some meetings request personalized cards.

Respectfully Submitted,

Terry M. Christensen, Recording Clerk

Bucks Quarter Clerk - Leo Fitzpatrick

Friend Leo Fitzpatrick has served Bucks Quarter as its Clerk from January 2020 through the present. He is a member of Wrightstown Friends Meeting and has served that meeting in many capacities, including Clerk of the Meeting, clerk of Nominating and Clerk of Finance. He is soft spoken, a good listener, smiles a lot and has served this community well as its clerk for the past two pandemic years.

However, all good things must come to an end, and a clerk's term is two years, and it's time for Leo to step down and let someone else rise to the position. He will continue to participate on the Quarter Budget & Nominating committee as its new clerk, replacing long time clerk Betsy Bayardi.

But...there's just one teeny tiny little baby hiccup.

Our Budget and Nominating Committee has been unable to identify someone to step up to the Clerk's position. Leo has already agreed to stay on as clerk through the February Quarterly Meeting, but will be stepping down afterwards. That will leave our Quarter without a clerk.

Many Nominating Committees struggle to fill committee positions, and the problem has increased during the pandemic. But it also has made some things easier - like gathering virtually for meetings, resulting in less driving, and allowing Friends from our more distant meetings to get more involved.

I'm asking you to get involved; the Clerk of the Quarter is a two-year position, supported by the Coordinator. If you know someone to nominate, or would like to nominate yourself, please contact the Coordinator at quakersbucks@gmail.com.

Wellness

Loveable: Kindness & Compassion

Practice—February 1st, 7:00-9:00 PM: this is an online workshop that explores the practice of loving-kindness meditation, or *metta*. “Metta” is the Pali word for the act

of wishing well for ourselves and others, without exception. We will consider compassion (*karuna*), and the ways it differs from friendly kindness. Through meditation we will experience directly the expansive nature of metta and its benefits, while also discovering the barriers we often encounter when meditating in this way. Open to all, suitable for both beginners and more experienced meditators. [Learn more and sign up here.](#)

Alexander Technique for Pain Relief—February 12th, 10:00 AM: This is a **FREE** webinar! Since the early 20th century, the Alexander approach has taught people how to bring more presence to their actions and make simple changes that heal and restore the body and the mind. This free webinar explores how the Alexander Technique can help you reduce or eliminate pain and imbalance in your body. [Learn more and sign up here.](#)

Social
Justice
Vigils

During the summer of 2020, in response to the murder of George Floyd, protests in support of Black Lives Matter and social justice were held throughout the country.

Two of our monthly meetings in Bucks Quarter continue to hold vigils in support of these causes:

Southampton Meeting: Their weekly Vigil for Justice is held Sunday afternoons from 3:00–4:00 PM (4:00-5:00 PM daylight savings time) on the grounds of the meetinghouse, which also faces busy Street Road. Between five and fifteen Friends have faithfully gathered there to demonstrate their support for social justice. Their signage has recently been vandalized, but Friends have just repaired them, and added SPICES signs. Contact Carolyn Michener at carolyn.ap.michener@gmail.com for more information.

710 Gravel Hill Road, Southampton, PA

Newtown Meeting: Friends can gather at the Newtown meetinghouse bi-weekly (see the BQ calendar for dates) every other Saturday morning at 10:30, then walk to State Street in Newtown Borough for a silent Black Lives Matter Vigil from 11:00 am–12:00 pm. All Friends from around the Quarter are welcome to attend. February vigil dates are the 12th and 26th. Contact Matt Chandler matthewjchandler@gmail.com for information.

The pamphlet and talk discuss the ageless struggles between what we truly need for ourselves, what we need to do for each other and what we need to do all together to maintain a human healthy planet.

The Forum will begin at 11:20 AM after the rise of Meeting for Worship on February 27th. It will be held on Zoom only, and access will be through the link provided via the DMMF listserv email sent out for that day’s Meeting for Worship.

Restorative Racial Justice: From the Personal to the Systemic—February 5th, 9:00 am–3:00 pm: Our faith calls us to racial justice and to healing the wounds of racism. Every day we see the realities of inequality and injustice. More and more we experience in ourselves and others, responses of emotional overwhelm arise when encountering the realities of inequality and injustice.

The morning session, facilitated by .O of Central Philadelphia Monthly Meeting, will examine some of the ways that centuries of trauma and systemic racism condition and shape our personal patterns of emotional response and interpersonal interaction.

In the afternoon session three Collaboratives—Middle East, Eco-Justice, and First Contact Reconciliation—will share how systemic racism shows itself within the areas of their focus. [Register here.](#)
