JUNE 2023

Monthly Meeting News

Dear Friends,

The Quarter's second attempt at holding a hybrid Quarterly meeting (this time at Newtown Meeting) was an improvement over our February meeting.

Practice makes perfect - or in this case, practice makes better.

Newtown Meeting had the technical infrastructure to hold a hybrid Quarterly Meeting. Our next host meeting - Plumstead - does not. They like their old-fashioned meetinghouse that does not have electricity, heating or plumbing.

The Quarter approved moving forward in August with a fully in-person Quarterly Meeting. Let's make sure that everyone that wants to be there is able to be there. Make sure you offer to drive those Friends in need!

Your Coordinator,
Wendy

~ John Woolman

Bristol

In collaboration with their tenant, Redemption Church, Bristol Friends are exploring building a labyrinth on their historic property.

Buckingham

At Quarterly Meeting in May, Friends reported replacing the oil fired heating system in their caretaker's cottage with an electric heat pump, thus reducing their carbon footprint.

Doylestown

The meeting was treated to a performance by the band "Breakfast at Judy's." It was well attended and enjoyed by everyone.

Fallsington

Deb and Jim Fine presented an Adult First Day Class about their three week trip into Israel and Palestine, which was sponsored by the Friends Council on Education. They gave a brief history of the 150 years of Quaker involvement in the Middle East.

Lehigh Valley

The meeting held a special threshing session in May to help Friends discern the possible future uses for their building.

Makefield

Makefield Friends are still seeking a tenant for their caretaker's house. See the article later in this newsletter for more details.

Middletown

Middletown Friends will be hosting a Juneteenth Celebration on their meetinghouse grounds on June 24. Everyone is invited to attend and celebrate the end to slavery in the United States.

Newtown

The meeting's Children's Religious Education committee had a successful Lasagna Dinner, raising over \$2000 for Right Sharing of World Resources.

Plumstead

At the May Quarterly Meeting, Plumstead Friends requested and received approval for hosting an "old fashioned" Quarterly Meeting in August without a virtual component.

Quakertown

Friends made a generous donation to the Clothing Drive for Mercer Street Friends.

Solebury

Solebury Friends report that the current sign in front of the meetinghouse is being refurbished at minimal expense. It was cleaned it up, a new coat of primer applied and new lettering has been ordered.

Southampton

Friends held a visioning session in May that focused on architectural plans for changes and improvements to the House on the Hill.

Wrightstown

The meeting's Spiritual Exploration Group has been revitalized. They are having hybrid meetings monthly; this month the topic was "Gifts and Leadings," giving Friends an opportunity to weigh in with what they can offer the Meeting to keep it vital.

Yardley

Friends opened their labyrinth to the public last month. They have also set the schedule for their summer Movies Under the Stars series, co-sponsored by Yardley Borough Parks & Rec. Check the [website calendar](#) for details.
