Clerk: Boris Simkovich (Makefield) **Recording Clerk:** David Rose (Lehigh Valley)

Stories of Vitality

- **Lehigh Valley** has a member who is building his own house and thirteen Friends showed up to help.
- **Southampton Meeting**, following a presentation by Paul Buckley, finds that they are more of a caring community
- **Plumstead** meeting house has a new floor.
- **Lehigh Valley** is investigating the purchase of a defibrillator. Is seeking input from other meetings.

Middletown Annual Report given by Jerry Belew for Lance Mervine (full written report available) He highlighted the various ways that the Meeting was creating links outside their community. This started with making connection with Settle Meeting in England, where the first founders of Middletown meeting immigrated from three hundred and thirty-five years ago. The Meeting also established a link with local African American community through effort started by Holly Olson which resulted in Celebrating the Forgotten Slaves of Middletown Meeting. The memorial meeting for member and BQM Coordinator Holly Olson in June was a moving experience. Current membership is 91. Middletown will be hosting an Extended Worship Service in September.

Discussion on Minute approved by Doylestown Friends Meeting on August 11, 2019 requesting support for national rally to help end gun violence. It was noted that other Meetings have acted on gun violence but their efforts have not been coordinated. Doylestown MM is bringing the issue before the Quarter in the hope that it will be passed on to the PYM Quaker Life Council with the understanding that PYM can decide what to do with the minute. Following discussion and rewording of the original minute to reflect Quarter consideration, the following minute was presented

- **MINUTE 1:** Bucks Quarterly Meeting in session August 19, 2019, supported the following minute and recommends that Philadelphia Yearly Meeting take on the responsibility for coordinating efforts with the appropriate local, national, and international organizations to achieve this effort.
 - Bucks Quarterly Meeting supports a Friends-led national protest against the private sale and possession of assault-style rifles and large-capacity gun magazines in the United States. This is rightly order, and is in alignment with our peace testimony, or opposition to physical violence, and our support of efforts to reduce and eliminate armaments and militarism in our society. The protest should take place in our Nation's capital at the earliest possible date that a well-organized one can be launched. **APPROVED.**

Budget and Nominating Report presented by Betsy Bayardi. She reported that the Kirkbride Estate issue has finally been settled and BQM has received a check for over \$27,000.

Treasurer's Annual Report (full report available) Treasurer Ed Snyder noted that largely due to the loss of the Coordinator BQM has a surplus at the end of FY 2018-2019 and there is an ongoing discussion in Budget and Nomination which will be brought before a Quarterly Meeting regarding the allocation of the surplus.

Break

Memorial Minute for Holly Olson and Minutes of Appreciation for Quarter's contribution for the Memorial Service from Middletown Meeting presented by Jerry Belew.

Solebury Annual Report given by Marian Hepburn (full report available) She highlighted the loss of two active member and the involvement of members in the governance of a number of organizations. She expressed the concern of the Meeting in the low participation in First Day School. Bucks Food for Friends Annual Report given by Marian Snipes (full report available). She highlighted that this is the eleventh year and that the average number of persons who show up is between fifty and sixty. They could use more volunteers and the time commitment varies based on which team you would be assigned to. BFFF received donations of vegetables from "Roots to River" farm and poultry donations from Zooks at the Newtown Amish Market. Major funding come from the "Coalition Against Hunger" Fundraising Walk.

Wrightstown Annual Report given by Betsy Bayardi (full report available). Membership is currently at 209, a loss of three members from 2017. The quality of worship has been strengthened by the "Spiritual Exploration Group" that meets every third Sunday. Outreach has expanded its effort to be more visible through a "Coffeehouse Series" which is promoted through various social media tools. Noting the reality of the world we live in, the Nursery School has created a "safe room" and an emergency evacuation plan.

Boris presented a summary of the issue contained in the report included in the information provided (written summary report provided available) He asked the meeting for guidance on how to proceed. The discussion was broad ranging and at times very emotional.

A weekend long presentation by Paul Buckley, author of Primitive Quakerism Revived, held May 10-12, has let to ongoing discussion within the meeting.
